**Dear Customer**

**Date: 19.08.2025**

*Panasonic Industrial Devices Slovakia s.r.o.* guarantees following:

### **Directive 1907/2006 (REACH)**

Substances of the “Candidate List for Authorization” (so called Substances of Very High Concern- **SVHC**) published by European Chemicals Agency (**ECHA**) are regularly surveyed in our supply chain for their containment in our products.

The candidate list of SVHCs includes 250 substances after June 25, 2025.

According to the information available *Panasonic Industrial Devices Slovakia s.r.o.* hereby declares that all products manufactured and delivered to your company do fulfill criteria (under limit) defined for SVHC substances notification **> 0.1% (w/w)** with respect to the latest version of SVHC list of 25 June 2025 and do not contain any substance(s) listed in the Annex XIV and Annex XVII to Directive 1907/2006.

### **Directive 2011/65/EU(RoHS) amended by Commission Delegated Directive (EU) 2015/863**

The Commission Delegated Directive 2015/863 of March 31, 2015, amends following substances in their maximum concentration values tolerated by weight in homogenous material to Annex II of Directive 2011/65/EU:

- |                                |                                      |
|--------------------------------|--------------------------------------|
| - Lead (0,1%)                  | - Polybrominated diphenyl ethers     |
| - Mercury (0,1%)               | PBDE (0,1%)                          |
| - Cadmium (0,01%)              | - Bis(2-ethylhexyl) phthalate (0,1%) |
| - Hexavalent chromium (0,1%)   | - Benzyl-butyl phthalate (0,1%)      |
| - Polybrominated biphenyls PBB | - Dibutyl phthalate (0,1%)           |
| (0,1%)                         | - Diisobutyl phthalate (0,1%)        |

We confirm that products supplied to your company do not exceed legally binding content limits defined in Directive 2011/65/EU(RoHS) amended by Directive (EU) 2015/863.

We also note following exemptions from Directive 2011/65/EU(RoHS):

- 7c-I Electrical and electronic components containing lead in a glass or ceramic other than dielectric ceramic in capacitors, e.g., piezoelectric devices, or in a glass or ceramic matrix compound

### **TSCA 6(h), 8(a)7**

According to the best possible information available by surveying our supply chain, *Panasonic Industrial Devices Slovakia s.r.o.* hereby declares that all products manufactured and delivered to your company do not contain any substance or substance groups listed in 6(h) or 8(a)7 sections of the TSCA.

**FAX: +421 (0) 52 426 01 16**  
**Web: www.pideu.panasonic.sk**

### **EU 2019/1021 (POPs)**

The POPs regulation aims to protect human health and the environment by minimizing or prohibiting use of chemical substances defined as persistent or bioaccumulative.

According to the best possible information available **Panasonic Industrial Devices Slovakia s.r.o.** hereby declares that all products manufactured and delivered to your company do not contain any of the POPs substances.

### **California Proposition 65**

Proposition 65 is a list of chemicals known to cause cancer, birth defects or other reproductive harm. This list was first published in 1987, and must be updated at least once a year. It now includes over 900 chemicals.

According to the best possible information available **Panasonic Industrial Devices Slovakia s.r.o.** hereby declares that all products manufactured and delivered to your company do not contain any of the CA Prop 65 Substances and/or satisfy the CA Prop65 Safe Harbor requirements.

### **Dechlorane Plus and UV-328**

Substances Dechlorane Plus and UV-328 have been surveyed for their content in our products by surveying our supply chain.

According to the best possible information available **Panasonic Industrial Devices Slovakia s.r.o.** hereby declares that all products manufactured and delivered to your company do not contain Dechlorane Plus and/or UV-328 substances/materials.

### **Products in scope:**

ENW898\*, ENW59\*, ENWC9A\*, ENWC9B\*, ENW49D\*, ENWF94\*, ENWF92\*, ENWF95\* series

Articles being exempt for the specific use from Directive 2011/65/EU are the following:

Product: ENW898\*, ENW59\*, ENWC9\*

Part No.	Substance	CAS No.	Weight percent	Exemption No.
ANT1* type antenna	Pb	7439-92-1	> 0.1%	7(c)I
DSX* type oscillator	Pb	7439-92-1	> 0.1%	7(c)I
resistor series	Pb	7439-92-1	> 0.1%	7(c)I

According to entry 11 of Annex V to Directive 1907/2006 the “Glass, ceramic frits” can be exempt from communication information according to Article 33 (REACH), including the SCIP notification obligation. Nevertheless, by surveying our suppliers we inform you about parts, manufacture of which is not feasible without unique properties of leaded glass (UVCB substance) and ceramics, and for which substitutes are understood not to be available or of inferior performance and reliability.
